PRAYER FOR PRIESTS

/// FATHER *you have taught the ministers of your Church not to desire that they be served but to serve their brothers and sisters.*

Under your watchful care and through the power of your most Holy Spirit, may our priests be effective in their work and persevering in their prayer, sharing in the ministry and concern of Christ, our High Priest and Good Shepherd, showing gentleness and concern for others.

*We ask this through Christ our Lord.
Amen*

MARY
*Mother of God, Mother of Christ,
Mother of Priests
