

Directions to Clifton Cathedral

From M5

Leave the M5 at Junction 19, immediately before the Avonmouth Bridge.

Take the A369 marked “Easton-in-Gordano, Clifton (Toll)” and later “Bristol”. After about three miles there is a set of traffic lights. After these lights make sure you are in the left hand lane sign posted “Clifton B3129 via toll bridge”. This lane will bear to the left on to Bridge Road and bring you to the Clifton Suspension Bridge. You will need 50 pence in 10, 20 or 50 pence coins for the toll.

Having crossed the Suspension Bridge continue on this road. Once you have passed over a zebra crossing you will come to a mini-roundabout. You take the second exit (in effect turning left) to bring Christchurch (the large Church with a spire) to your right hand side. At the T-junction by this Church turn right.

Drive to the end of Clifton Park and turn left onto Pembroke Road. After going over a zebra crossing you will see the Cathedral on your left.

From M4

Leave the M4 at Junction 19 and join the M32 towards Bristol.

You will pass under a bridge that has a sign telling you that you are coming to the end of the M32. You now need to be in the right hand lane of the motorway. Continue through the traffic lights.

Continue along this road. The road splits into three lanes at the end just before a large roundabout. You need to be in the centre lane.

At the roundabout take the second exit.

After taking the second exit you will pass the Bus Station on your left. As you go through a set of traffic lights and begin to pass the Bristol Royal Infirmary on the right you need to be in the left hand lane so that you can continue straight on through the next set of traffic lights.

You will pass an Esso garage on your left as you continue up the hill. You will come to another set of traffic lights just before which the road splits into two lanes. You need to be in the right hand lane. You will pass through a second set of traffic lights and then follow the road round to the right moving into the left hand lane.

Follow the one-way system. You will see the Victoria Rooms and the fountains in front of you. Bear left on to Queens Road.

Continue up the road until you come to two mini roundabouts. Go over first and turn right at the second on to Pembroke Road. You will pass Channings Hotel on your right and then go over a zebra crossing. The Cathedral is on your left.
