

# Eucharistic Wonder

## Spiritual worship, holy and pleasing to God (cf Romans 12.1)

The Liturgy of the Church has a richness that can never be exhausted. This year's Summer School provides participants with opportunities to explore this richness from a variety of perspectives and to develop their skills to assist others to participate more fully in the Church's worship. As publication of the new English translation of the *Missale Romanum* is imminent, there will be some exploration of the issues it raises.

*The week includes a full programme of talks, workshops, seminars and liturgical celebrations as well as opportunities for rest, recollection and socialising.*

Our Summer School Leaders this year are **Fr Allen Morris** (parish priest in London and former Secretary to the Department for Christian Life and Worship of the Bishops' Conference) and **Catherine Christmas** (co-organist of St John's Cathedral, Portsmouth and former director of music of Arundel Cathedral. A member of the Collegeville Composers Group, Catherine received her MA in Pastoral Liturgy in 2008)

### Keynote Lectures:

**Bishop Arthur Roche** is Bishop of Leeds and a Patron of the Society. He is chairman of both ICEL and the Bishop's Conference Department of Christian Life and Worship. His lecture will outline a Bishop's hopes for liturgical renewal.

**Canon Alan Griffiths** is a priest of Portsmouth Diocese, and teaches Liturgy at Wonersh. He has assisted ICEL in its work over many years. Canon Alan's address will look at liturgical texts and our participation in Liturgy through them.

**Rev Prof Andrew Louth** is a priest of the Russian Orthodox Rite and serves a parish in Durham. He is Professor of Patristic and Byzantine Studies at Durham University. Fr Andrew will give a keynote address on the vision of the Liturgy in the Orthodox tradition.
