## In the Beginning

As a result of the training led by Charlie Saul and myself there are many of you who have ordered the POS direct from Salford. Do not pay any money, as Charlie and I have a sliding scale to bring the costs down. All bills will be issued at the end of the academic year. If you have a problem with the cost that is set in July then Charlie will let you pay in instalments. It's all negotiable.

If you missed the recent training then on 23 May 2005 I am repeating the course at St. Augustine's of Canterbury School, Downend, Bristol from 9 am to 12 p.m. Please ring Jenny before 18 May so that we can let the school know how many extra will be attending.

## HERE I AM
